

# FEGENTRI PRESS INFORMATION

Dear friends of FEGENTRI,  
 In the name of our President and our Board I am delighted to share with you this second edition of the 2024 Fegentri Press release. This month has been a time for the Fegentri riders to get to know one another and immerse themselves in the values of the Fegentri such as friendship, elegance and excellence in the sport. The four championships have seen their steps organised on major race meetings, and bond-forming activities have been organised by the hosting clubs, allowing the Fegentri riders to meet the host countries' industry actors, discover foreign cultures and ways of racing, and compete on prestigious foreign tracks for an experience that they will remember for a lifetime.  
 Once again, do not hesitate to use all data from this document, pictures and texts in your own channels, and give credit. Also, for communication purposes, please let us know with which channel you are sharing this with, or where / when the document gets published.  
 Enjoy some reading about our latest Championships steps!  
 Yours,  
 Charlotte Rinckenbach

## Fegentri World Championship for Gentlemen and Lady riders

### 01.06.2024 OSLO, NORWAY - TWO MIXED RACES

The Fegentri Lady and Gentlemen-Riders got to experience racing in Oslo, Norway on the first Saturday of June. Two mixed races were planned on that day, where Fegentri Gentlemen and Lady Riders would compete together, even if their rankings remain separate.

The first race on the turf over 900 meters was won by Taylor Kingsley (USA), who signs an impressive second success of the season in two rides.

The second Fegentri race was won by Fletcher Yarham (GB), opening the count on his Fegentri wins. This is Fletcher's second season competing in the Fegentri World Championship for Gentlemen-riders.

The Fegentri would like to thank to the Norwegian Amateur Club for such a great welcome, and an evening of celebration where Fegentri riders and officials got to mingle with the actors for the Scandinavian horse racing industry.

### 02.06.2024 BADEN-BADEN, GERMANY - LADY RIDERS

Unfortunately, due to the heavy rains this race had to be cancelled. It will be rescheduled later in the season.

### 16.06.2024 CHANTILLY, FRANCE - LADY RIDERS

This step represented a beautiful weekend for the Lady Riders in Chantilly, France. On the Friday, the Fegentri riders, along with the French amateur riders, got to compete in Olympic games on the famous gallops "Les Aigles". On the program: barbecue, blind race, rope competition, and various other games. Despite the scattered rain, it was a warm afternoon of laughter and shared memories. On the Saturday, the ladies dressed up with elegance at the occasion of the Prix de Diane Longines. They got invited to a distinguished lunch on the grass, before riding in the last race of the day, where sixteen riders were taking part of the race. Marie Rollando, non-nominated French rider, won the Prix de la Reine Marie-Amélie on TATOO and signed a first win at Chantilly. The ladies got then to celebrate at the racetrack. Many thanks to the Club des Gentlemen Riders et Cavalières for those amazing days!

### 25.06.2024 BRO PARK, SWEDEN - TWO LADY RIDERS RACES

An other step in the northern European countries, this time in Sweden, was the occasion for the ladies to race two times in one evening at Bro Park.

Taylor Kingsley adds one win on the United States' list during the first Lady Riders' race of the night on CHINESE EMPEROR. Giulia Pellegrini, Italian nominated rider, wins the second Fegentri race on COUSTEAU, a Patrick Wahl's trainee which gave a win to the Swedish representant in last year's step. The lady riders got to share a nice dinner at the track with some other local actors, and got to meet the Fegentri Junior group. The Fegentri would like to thank to Swedish Amateur Club for their hospitality and double flat races on this step.

## The Fegentri Gentlemen's League Championship

15.06.2024 STRÖMSHOLM, SWEDEN

This third step of the Jumps' championship took place on one of the biggest Swedish jump meetings of the year, on the day of the Swedish Grand National. Four nations – France, Great Britain, Sweden, Italy – were represented, as the Irish rider's horse was a non-runner. Lorenzo Chierigati, Italian nominated rider, wins the race after a great run from all participants. This step was also the occasion for the Fegentri Gentlemen's League riders to experience the Swedish hospitality, with dinners and celebrations after the race organised by the hosting club.
